Note: This table counts instances where a driver was convicted of having a prohibited alcohol content, operating while intoxicated, causing great bodily harm while intoxicated, or committing homicide, while intoxicated. These are convictions, not drivers, though drivers may have garnered more than one OWI conviction during the past year. Convictions that drivers garnered in other states and convictions where the county was unknown or if the drivers age or gender was unknown are not included in this table. The violation may have occurred in a prior year. These convictions were adjudicated in 2020 and entered into the driver record file by July 1st, 2021.
